Welcome to life in Milwaukee, "a great place on a great lake!" Our Milwaukee Teaching Fellows impact student achievement every day in over 20 Milwaukee Public Schools while living in an exciting urban environment. While Milwaukee has the resources and attraction of a big city, its eclectic neighborhoods give it a small-town, communal feel. Many candidates residing outside of the city and Wisconsin pursue this challenging and rewarding opportunity to impact student achievement at this critical time in the city's history. Milwaukee has a diverse array of neighborhoods for everyone. From the bustling downtown area to the condos and homes on the river and lakeshores, Milwaukee has a neighborhood for you. Apply now at www.MilwaukeeTeachingFellows.org and join our mission to raise student achievement for all of Milwaukee's students.
